PARTNERSHIP WITH A LEADER IN FUNDRAISING AUTOMATION

In collaboration with a leading partner in fundraising automation, Decloedt Digital Factory offers a combined solution that allows companies to raise capital more efficiently using AI and access to a global network of investors. This solution enables CEOs to focus on growth while automating the complex processes of fundraising:

- 35% time saved for CEOs.
 - \$23M raised through an AI-powered platform, with access to global investors.
- 
- 

ADDED VALUE FOR OUR CLIENTS

- **Automation and AI:** Data analysis, improved productivity, and optimized investor matching using AI.
 - **Global Data API Access:** Connect to strategic data platforms, facilitating introductions to relevant investors.
 - **Proven Results:** \$15M in recurring annual revenue generated by portfolio companies.
 - **Decloedt & Partner Synergy:** An integrated approach combining advanced technological solutions with automated fundraising to help businesses grow faster and more efficiently.
